What is the Paschal Candle?

The Paschal Candle is the large candle blessed and lit at the Easter Vigil.

It represents the risen Christ, who has conquered sin and death and whose light shines in the darkness. Marked with the cross, the current year, and the Greek letters Alpha and Omega, it reminds us that Jesus is Lord of all time and history.

Five grains of incense, often spoken of as nails, are inserted into the candle in the form of a cross. They represent the five holy wounds of Christ and are used to show that the risen Lord is the same Jesus who was crucified and who now lives in glory.

Throughout the Easter season the candle stands near the ambo or altar as a sign of Christ’s living presence among His people.

After Easter, it is placed near the baptismal font and lit at baptisms and funerals, reminding us that by Baptism we share in Christ’s death and resurrection, and that in Him the faithful hope for eternal life.
