The 2002 Southwest Challenge Series links up the top Duathlons and Triathlons in the Southwest. Point standings are kept at each race based on finish by category, with champions being crowned at the end of the season.

Anyone is eligible for this unique and exciting series and there is no extra cost to be included in the series championship. Entrance into any of the Southwest Challenge Series events will automatically make you eligible. We invite you to enter all of these outstanding races as your points will be accumulated from your best ten finishes. You must compete in and finish at least ten events. Your age for all series events is your December 31, 2002 age. Bonus points will be awarded for participation in SWCS races in excess of the required minimum of ten and for participation in the USAT Las Vegas Triathlon and Buffalo Springs Triathlon Championship.

Points will be tabulated by computer and awards given to the top three finishers in each category. There will be an awards banquet at the end of the series to recognize our champions.
